Assyrian Church of the East

During the last 12 months Ecclesia Housing has been working with The Assyrian Church of the East to establish a community for elderly people in the Fairfield area.

A complex of 50 brand new units was completed in March and is now fully occupied. A mix of Studio, one and two bedroom units, ensure a comfortable mix of family components.

A maintenance manager is based on site and Ecclesia Housing has established a field office to provide a tenant service on a regular basis. Accessible facilities along with an elevator and stair lifts ensure that tenants are able to stay in their homes for an extended time.

planned and the attendance at the first meeting in April was successful.

After an early morning visit recently the EO Housing Services commented " There is a real sense of community with people sitting on veranda's with coffee and tea . Not one tenant failed to give a cheery good morning and a wave"

All at Ecclesia Housing wishes every success and good living to all in the new community, and will keep updating this newsletter to keep you informed of all new projects.

Regular tenant meetings are
